Zion Chapel To Open Against Brantley

The Zion Chapel Rebels will meet the Brantley Bulldogs at Zion Chapel Friday night at 7:30.

Zion Chapel Head Coach John Hudson expects Brantley to run from three formations -- the power "T", the wishbone, and a slot. The Bulldogs are expected to keep the ball on the ground with plenty of running power from fullback Jerry Godwin.

The Rebels have nine returning lettermen, but some of the boys have been changed to different positions. Jerry Miller, who lettered at end last year will be the quarterback for this season. Jeff Kelley, who lettered at guard last year will be the fullback spot this season.

Coach John Hudson says the boys are some of the best he has worked with. Coach and teammates agree that the best thing they are going for is pride and a desire to win. Zion Chapel's schedule for the upcoming season is as follows:

Aug. 31 - Brantley - Home

Sep. 7 - Louisville - Home

Lost Camera Found By Elba Police

Tony Martin is the proud owner of a shiny new 35mm camera that he plans to use extensively this school year taking pictures for the Elba High School yearbook.

Last week Tony (and his family) had several days of worry about the project however. It seems that Tony had left his camera in an office at the church and later when he went back for it, no camera! He tried to believe that some of his friends were playing a prank but when it didn't turn up within a few hours the local police were called into the case.

Thanks to fast work by the Elba police, Tony has his camera and the police are on the trail of several other items recently stolen. Police Chief Jack Smart told this newspaper that the youths who had the camera reported they "found it outside."

Ala. Electric Explains Outage

Alabama Electric Cooperative has reported that an electrical outage experienced by their system on August 8 at approximately 2:10 p.m. was caused by a defective 40 KV bus potential transformer which caused a relay to operate incorrectly at the Brundage Transmission Substation.

The general areas affected were in Andalusia, Gantt, Elba, Brundage, Opp, Troy, and Baker, Florida. Service was restored in approximately 27 minutes.

FIRE REPORT

The Elba Fire Department reports one fire during the period of August 21 through 28.

Firemen extinguished a grass fire on Highway 84 near the City Pool.

Air Conditioners To Small At Schools

This newspaper received several complaints this week about the recently installed air conditioners at the Elba schools.

It seems that the bid accepted for 24,000 BTU units and after installation it was discovered that they were only 23,500 BTU units. The Federal units were purchased from Plant Appliance of Elba.

A check with Superintendent Elmer Taylor Tuesday afternoon revealed that he has the situation well in hand.

According to Mr. Taylor, he and John D. Plant had discussed the problem and reconstructed just what had happened.

The units were in boxes labeled as 24,000 units. They were uncrated after arriving at the school from Birmingham and installed. It was later discovered that after removing the cover and looking at a plate on the inside that these were not the units bid on or ordered.

Mr. Taylor told this newspaper that representatives of Federal in Birmingham would be in Elba in the next few days and the problem would be worked out at that time. Mr. Taylor and at least one board member aware of the situation.

Ham Hired As County Engineer

Mr. O'Neal Ham, has accepted the position as County Engineer for Coffee County according to information received by Probate Judge James Sawyer this week.

Mr. Ham, who will begin with Coffee County on September 17, is presently serving as County Engineer for Dale County. He has held this position for 10 and 1/2 years. When asked his age Ham told this newspaper "I am 38 and holding."

He is a native of Abbeville, having graduated from Abbeville High School and Auburn University with a degree in Civil Engineering.

Ham is married to the former Sara Vinson of Headland and they have two daughters age 15 and 9. The family belongs to the Baptist Church.

Mr. Ham comes to Coffee County highly recommended and according to Judge Sawyer, "We are fortunate to get a man of Mr. Ham's ability."

Peanut Time Is Here For Coffee County

School has started in this area and school starting means it is fall and harvest time in South Alabama.

While it seems hard for just turning vacationers to believe, peanuts are already being harvested in Coffee County.

Jack Morrow of Morrow Gin and Peanut reports that he received a load of peanuts from J. B. Moody of Rt. 1, Kingston last Saturday night. Moody has, at press time, brought in four loads of goobers and Mr. W. H. Rhoades of Kingston and Mr. W. H. Kelley of Rt. 1, Jack have also brought in a load each this week.

Ellis Youth Hurt In Cycle Wreck

Gavin Ellis, teenage son of Elba Councilman and Mrs. Charles Ellis, was seriously injured last Wednesday morning when his motorcycle collided with a car driven by Mark Jacobs in the parking lot at Elba High School.

According to witnesses, neither vehicle was moving fast, as both were planning to park. Apparently neither youth could see the other as they approached parking places. The vehicles hit head-on with very little damage to either car of the cycle.

Ellis suffered a compound fracture of his leg below the knee and severed tendons and blood vessels in his left wrist. He was taken to the Elba General Hospital and later to Dothan by a unit of the Elba Rescue Squad.

Doctors report his leg will heal normally, but expressed fear that the severed tendons in his left wrist will cause him to have some limited loss of mobility in his hand.

Fast action on the part of Bill and Ronnie Mickle, who were on the scene, saved Ellis a lot of blood loss and possibly serious other troubles. Both these young men had learned their ROTC training the importance of stopping bleeding and various methods of accomplishing this. They saw the blood spurting from the cut artery and called for someone to tie around the arm.

Mark Jacobs, driver of the car jerked off his shirt and the Mickle boys applied a tourniquet and stopped the loss of valuable blood.

Little Action Taken At Council Meeting

The Elba City Council held its regular meeting on Tuesday evening August 21st. Very few actions were taken at the meeting, even though a variety of subjects were discussed.

The council was given a report on police and court action to see that all citizens were complying with the city garbage ordinance which requires all businesses and family units to pay a monthly garbage fee. Several months ago the council was told that about twenty were not paying the fee. The police chief was instructed to check these out and find out why the people refused to pay. A number of them were able to work out the problem and began paying the fee. Some others had a misunderstanding and agreed to pay the fee.

In other business the councilman approved payment of bills totaling \$7837.50. City Clerk Tom Dyess divided the bills to various departments as follows: \$5659.54, General Fund; \$564.62, Recreation; \$559.58, Gasoline Excise (street); \$377.34 from LEPA fund and \$276.62 from the Parks fund.

The councilman checked the estimate on repairing the 1970 police car and voted not to spend the four to five hundred necessary to fix the "minor" problems and still have an old car with over 100,000 miles on the engine.

The need for a new fire truck was brought up by Mayor Jack Brunson and the councilman instructed the City Clerk to get specifications on a new truck so that bids could be requested.

The councilman voted to support the county-wide Civil Defense Program if all municipalities within the county participate.

Commissioners Buy Waste Disposal Truck

At their regular monthly meeting, the Coffee County Commissioners accepted a bid of \$11,585.12 from Dowling Truck and Tractor Company, Enterprise, for a truck for solid waste disposal. They accepted this bid over Cook Chevrolet for \$9,443.44 because Dowling was the only contractor that met the building specifications called for.

In other action, the Commissioners are considering two bids for covering the garbage at the sanitary landfill at New Brockton. They are Dawson Farris for \$44,096 and James Gallo-way for \$59,800.

In regard to the gas supply for Coffee County for another year, the bid of 26.9 per gallon was accepted.

Elba Tigers Host Geneva Eleven Friday Night

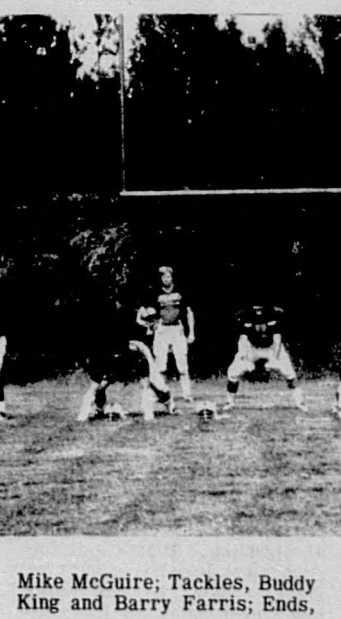

Elba football fans should have plenty of excitement this season as the Elba Tigers face possibly the toughest schedule ever for an Elba football team.

The opening game against Geneva will definitely be one of the most difficult games Elba fans can remember.

The Geneva team is expected to throw the ball a lot and will probably run from a pro set with two wide receivers. With nine returning senior starters, Geneva will be a formidable opponent.

Geneva's quarterback, Steve Sanders, a 210-pound senior, will help give us in locating our family's pet dog, Puffin' Stuff. Without your help our efforts would have been fruitless.

It pays to advertise.

Offensive starters for Elba, against Geneva: Quarterback, Charles Ellis; Tailback, Bill Mickle; and Lamar Sasser; Wingback, Jeff Bimbo; Fullback, Demp Holley; Split End, Randy Mularz and Richard Brunson; Tight End, Eddie Kelley; Tackles, Ronnie Mickle and Buddy King; Guards, Mike McGuire and Mickey Marler; and Center, Dudley Stinson.

Defensive Starters for Elba: Middle Guard, Ronnie Mickle; Linebacker, Lamar Sasser and Mike McGuire; Tackles, Buddy King and Barry Farris; Ends, Eddie Kelley and Willie James Phillips; Corner Backs, Richard Brunson and Jeff Bimbo; Safety, Randy Mularz and Demp Holley.

DYEING FABRICS

Perk up a dull room, revive an old dress or make a unique gift for someone for pennies by dyeing fabrics in your automatic washer. Complete instructions are on each package of dye. Here are some suggestions for good results.

Only tint fabrics that can be washed in hot water. Rinse by removing buttons, trims and linings and taking down zippers. Fill the washer with hot water and mix in the tint as directed. Add newly-washed, still-wet items that are to be tinted and agitate until the fabric is slightly darker than the shade desired. Reset the controls if necessary for a longer tint period.

Finish with a cold rinse, remove fabrics and clean the washer by running it through a complete cycle with detergent, bleach and hot water.

SPICES

Before you buy spices, think about the storage they will need and how often you will be using them.

Spices contain volatile oils which give them flavor. If

the oil evaporates, the flavor is lost. To prevent this loss, you can use spices in quantities that you can use before they become stale.

Also, you'll want to protect spices such as paprika, curry powder and mustard from direct sunlight to avoid loss of color. Keep the white or light-colored spices from long exposure to light since they tend to yellow and develop off-flavors.

Finally, always keep spices closed tightly and in a dry place because dampness can cause caking. And avoid storing spices over a range or other heating unit.

EGGPLANT

Did you ever stop to think about why you don't serve certain foods? Is it because you don't like them or you don't know how to prepare them? Or is it because you just never think of serving something different?

For example, how often do you serve eggplant? Eggplants are plentiful this time of year. And, an eggplant makes a good accompaniment for meat or a good main dish by itself. It

can be served stuffed with meat, shrimp or tuna, or garnished with tomato sauce and cheese, or sliced and fried in batter. Eggplant is also a good ingredient for casseroles. And by itself eggplant is low in calories.

When buying, look for an eggplant that is firm, heavy, smooth and uniformly dark purple. Avoid those which are poorly colored, short, shriveled, cut or that show decay in the form of irregular brown spots.

Eggplant can be stored in the refrigerator for about a week but it should be used as soon as possible after purchase.

By Kathy Tucker and Gwendolyn Lindsey joined Lee and Tiffany. The nurses released the goat to the four children and they happily started their journey up Highland Drive.

Lee and his father, Ed Seils, had been building a pen for their chickens. Everything was finished but the gate and now that's ready. But instead of having chickens, Lee has a goat! The goat seems to be content in his new surroundings.

Lee and Tiffany apologize for any trouble they caused the hospital staff. They hope the patients weren't disturbed. And Snow White, the goat, thought she would be so famous!

Loud Noise Brings Hospital Staff Out

About eleven o'clock this past Friday morning the staff in the X-ray wing of the Elba General Hospital heard some strange noises outside the door. There were barking dogs, children's voices, and the bleating of an animal. A doctor, some technicians, and several nurses came out the Emergen-

cy Room door to check. They found Lee Seils and Tiffany Harper and their dogs chasing a goat. The goat had been seen grazing the hospital lawn for a couple of days. Lee decided to try and catch the goat after seeing her on Thursday.

The goat was chased to the ramp leading to the Emergency Room. The hospital staff advised the two children in catching the goat. After the goat had been secured with a rope, three nurses agreed to help by holding the goat while the children carried their upset dogs home. While on the way back to the hospital to get their catch, Kathy Tucker and Gwendolyn Lindsey joined Lee and Tiffany.

The nurses released the goat to the four children and they happily started their journey up Highland Drive.

FIESTA OF FIVE FLAGS FOR MARCHING TIGERS

Saturday Night . . . It was just been told that his band had been judged best of all the 19 bands competing in "The Most Outstanding Band trophy to Ronnie Parrish, president of The Marching Tigers, had

The Fiesta of Five Flags, held in Pensacola, Florida on April 26, 1973, presented a new challenge to the Marching Tigers of Elba High School. For the first time they had to compete against bands outside their size class, for judged together, regardless of size. Traditionally, the trophy winners are the big Texas bands who field 250 members, carry a complete change of uniform for all members and whose trip expenses are provided for in the school budget.

Facing such competition, Tom Maddox's band accumulated enough points in the parades and marching contest to be named the 2nd best band attending, a feat not unnoticed by southern band directors who had spent the winter telling Mr. Maddox he'd only go to Pensacola "to watch the Texas bands get the trophies."

Friday Night . . . presentation time at the Fiesta of Five Flags Marching Contest. The agony and the ecstasy of being drum major is clearly reflected in this picture showing Courtney Cannon and Ronnie Mallory as they received "The Most Outstanding Drum Major" trophy from Fiesta Chairman Loudermilk. Of all the bands competing in the Marching Contest, Elba's drum majors were the only ones to receive a trophy. A minute later The Marching Tigers were named the 2nd best band of the marching contest, and Ronnie Parrish broke all speed records in a dash down the stadium steps to receive his first trophy as band president. Regrettably, no picture of that presentation was received.

Youth Parade and the Marching Tigers step out smartly with Donna Bludworth's flag corps leading the way. This parade was for the children and all floats and entries were designed to appeal to them. Carrying the banner they had made and presented to the band are Elba Cheerleaders Donna Adkinson and Glenda Kelley, whose smiles lasted the entire parade route. The band was also preceded by the Alabama State Trooper Javelin, the only band so escorted.

Saturday Night . . . their last non and Ronnie Mallory were And the thrill of receiving a trophy. This one presented to the Marching Tigers and Drum Majors participating in the "Krewe of Lafitte" Parade, dropping the trophy.

Saturday Night . . . The same 2nd best band in the Youth and so they came home, clutching their trophies, warm in the knowledge that across the states of Texas, New Jersey and Pennsylvania bandmen would never again say "I never heard of Elba."

Beaver - Pinkard

Vows Told

Mrs. Mary Franklin Beaver and Gethel Lee Pinkard, Jr. were married on August twenty-fifth at six o'clock in the afternoon in the home of the groom's parents, with the Rev. Robert K. Davis performing the double ring ceremony.

The bride's dress was blue. She carried a bouquet of white carnations with blue ribbons. An arrangement of white gladioli and white and blue lilies was reflected in an antique mirror at each end of which stood a seven branched candelabrum with white candles, forming the background before which vows were pledged. Candles were lighted by Chuck Beaver, son of the bride, and Alan King.

Following the ceremony, the groom's parents entertained with a reception. A large oval table was centered with a tiered wedding cake topped with three satin wedding bells edged with pearls. Mrs. Rann King served cake, sandwiches, nuts and mints.

The groom's table held a chocolate cake topped and encircled with green grapes which was served by Misses Lisa Sharpless and Kim King. A round table held the silver punch bowl from which guests were served by Mrs. Ralph Sharpless.

Rice bags were passed to the guests by little Miss Lynn Beaver, daughter of the bride. Mr. and Mrs. Pundick and Chuck and Lynn are at home at Villa Tasso, Rt. 1, Niceville, Fla. Mr. Pinkard is employed as an accountant in Ft. Walton Beach.

Luncheon
Mr. and Mrs. Rann King and Mr. and Mrs. Ralph Sharpless were hosts at a luncheon on the day of the wedding. A delicious buffet meal was served to seventeen members of the immediate families of the bride and groom.

Miss Cannon

Honored

With Party

Miss Courtney Cannon was honored with an Old To School Party by Misses Beverly and Bunny Cox, Misses Windy and Wilma Anderson and their parents, Mr. and Mrs. W. W. Cox, and Mr. and Mrs. K. W. Anderson, Saturday night, August 25, at the Cox home on Claxton Avenue.

Following the theme "A Day Without Courtney is like a Day Without Sunshine", the party room was decorated in yellow. A large bouquet of yellow marigolds centered the dining table, which was covered with a yellow tablecloth. After supper the guests played games connected with the honoree's interest in music.

Those attending included: Miss Melanie Canley, Miss Cherrie Clay, Miss Sheri Cook, Miss Alice Brunson, Miss Judy Lee, Miss Ann Martin, Miss Nancy Taylor, and Mr. and Mrs. Robert Cannon, parents of the honoree.

Miss Cannon will attend Marion Institute, Marion, Ala., for her senior year of high school.
